Aspiring Mechanical Engineer | Skilled in Power Systems, CAD Design & Simulation | Strong Team Player & Leader
Mechanical Engineering student with internships at NTPC Kahalgaon, SolidWorks, and MATLAB, gaining skills in power plant operations, CAD design, and simulations. Strong teamwork and leadership abilities developed through active participation in football and sports. Eager to apply technical knowledge and collaborative skills in professional engineering roles.

TECHNICAL SKILLS

Design Software: SolidWorks CAD, ANSYS

Programming Languages: MATLAB, JavaScript, C++

INTERNSHIP , PROJECT , CERTIFICATES

NTPC Limited, Kahalgaon — Internship(8 weeks):

(15 JULY 2025- 14 JUNE 2025) & (15 DECEMBER 2025 – 14 JANUARY 2026)

- Studied thermal power plant operations, including turbines, boilers, and auxiliaries.
- Learned efficiency improvement techniques, load management, and safety protocols.

SolidWorks Design — Internship(4 weeks):

- Designed 3D parts, assemblies, and detailed engineering drawings in SolidWorks.
- Conducted motion and stress simulations for mechanical components.

MICROSOFT AI AZURE — Internship(4 weeks):

- Developed foundational skills in artificial intelligence and cloud computing by utilizing Microsoft Azure technologies during the May to June 2025 program

Project(Major):

- Led the design and CFD analysis of a Savonius VAWT for renewable energy applications in low wind environments. Simulated aerodynamic performance using CFD, and FINITE ELEMENT ANALYSIS on it, along with a working model.

(Minor):

- Design and assembly of Air Piston Cylinder in Solid works

Certificates:

- NPTEL (Applied thermodynamics), SOLIDWORKS , Matlab , CNC Lathe and CNC Milling

EXTRACURRICULAR ACHIEVEMENTS

- Successfully organized and conducted **Saraswati Puja** at college, showcasing event management and leadership skills.
- Served as **Coordinator in DIVISIONAL LEVEL NON ACADEMIC EVENT Bihar**, contributing to planning, coordination, and smooth execution of events.
- **football**, secured **Runner-up position** in an inter-college football tournament with participation from 24 colleges.

EDUCATION

B.Tech – MECHANICAL | CGPA: 7.94 Gaya College of Engineering, Gaya, India |(2022 - 2026)

INTERMEDIATE (C.B.S.E)– Science | 81% SSSS Gurukulam, Dhanbad, India |(2019-2021)

MATRICULATION (I.C.S.E)- 85% Holy Family School , Bhagalpur ,India |(2019)
